Padded Mailers

Cushioned padding inside wall of every bag protects against damage. Lightest weight mailer available. Seamless bottom for maximum strength. Smooth side seams.

Attractive 55 lb. Kraft with 3/16" bubble lining.

Self-seal bags - guarantees a secure seal every time.

Easy to use: Top edge is scored for easy sealing.

Easy to open: Tear-seam tab on larger sizes.

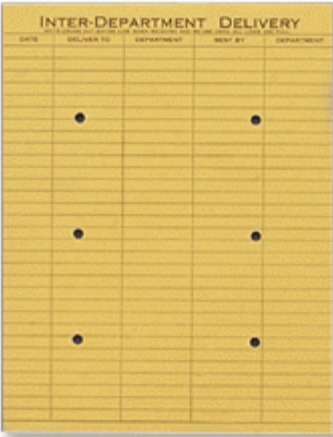

Self-Seal bags: Adhesive strip secures bags instantly. Ships UPS.

No Bend Mailer Envelopes

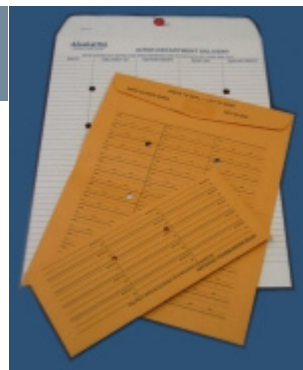

We offer the strongest Photo and Document Mailers. Extra-rigid fiberboard mailer protects fragile photos and documents from being folded or bend during handling. Open end or side styles. Redi-Strip self-sealing closure or dual-tab closure. We offer multiple sizes and can print any color on multiple surfaces.

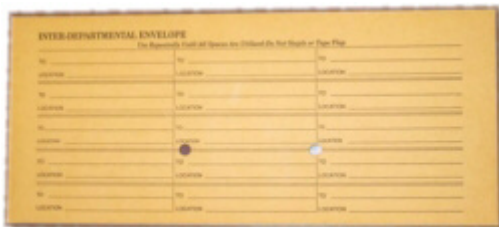

Interoffice Envelopes

Printed for mailing of hard copy documents within the same office. Holes are drilled in the envelopes so you can easily see if they are empty. Constructed using 28 lb. durable Kraft paper stack. These envelopes use button and string closure method for repeat use.

Inter-Department envelopes feature 5 columns:

DATE, DELIVER TO, DEPARTMENT, SENT BY, DEPARTMENT

Transluents

There is no better way to show off your mailing than in a translucent envelope. We offer Translucent Envelopes in many sizes and colors that are in stock and ready for custom printing.

Poly Bags

The purpose of these Barrier Film Poly Bags is to greatly reduce the flow of gases, flavors or aromas either into or out of the package that may be harmful to the quality of your product. Depending on the type of product and the storage conditions, the type of film used will vary greatly.
